Customer Reviews Dataset

100 mixed positive and negative customer reviews for sentiment-analysis testing

How to use: Upload this PDF to your Review Analysis / MLOps project. The reviews are intentionally mixed and are not pre-labelled, so your sentiment model can classify them.

Dataset note: These are synthetic sample reviews created for educational and project demonstration purposes. They do not represent real customers or a real company.

Review 001: The product arrived earlier than expected and was packed carefully. The quality is excellent for the price.

Review 002: I am disappointed with this purchase. The item stopped working after two days and customer support did not help.

Review 003: The design looks beautiful and the product feels comfortable to use. I would happily recommend it.

Review 004: Delivery was very late, and the package was damaged when it arrived.

Review 005: Setup was simple, the instructions were clear, and everything worked perfectly.

Review 006: The material feels cheap and the size is completely different from the description.

Review 007: Good value for money. The performance is reliable and the battery lasts all day.

Review 008: I received the wrong colour and nobody responded to my replacement request.

Review 009: The quality exceeded my expectations. It looks even better than the pictures.

Review 010: Very poor experience. The product was missing important parts and the box was torn.

Review 011: The staff were friendly and helped me solve my issue quickly.

Review 012: The app crashes frequently and it is frustrating to use.

Review 013: Comfortable, stylish, and easy to clean. I am very satisfied with this purchase.

Review 014: The price is too high for such average quality. I would not buy it again.

Review 015: The product works smoothly and has made my daily routine easier.

Review 016: Customer service ignored my emails for a week. I am unhappy with the service.

Review 017: Fast shipping, neat packaging, and a great product. Everything was perfect.

Review 018: The instructions were confusing and the product was difficult to assemble.

Review 019: I have used this for a month and it still works like new. Excellent quality.

Review 020: The item arrived with scratches and the seller refused to replace it.

Review 021: Great performance and a reasonable price. I am happy with the purchase.

Review 022: The fabric faded after the first wash and the stitching started coming apart.

Review 023: The product is lightweight, practical, and exactly what I needed.

Review 024: Poor battery life. It needs charging several times a day.

Review 025: The order process was easy and delivery updates were accurate.

Review 026: The product does not match the photos and feels uncomfortable.

Review 027: Excellent finish and thoughtful design. I would recommend it to my friends.

Review 028: I had to contact support multiple times because my refund was delayed.

Review 029: Works exactly as advertised and is very easy to operate.

Review 030: The package was delivered to the wrong address and resolving it took too long.

Review 031: The sound quality is clear and the controls are simple. Great experience.

Review 032: The product overheats during normal use and I am worried about its safety.

Review 033: Very useful product with strong build quality. Worth the money.

Review 034: The size guide was inaccurate, so the item does not fit me.

Review 035: Quick delivery and helpful customer support. I am impressed.

Review 036: The screen has dead pixels and the seller has not replied.

Review 037: I like the clean design and the product feels premium.

Review 038: The product stopped charging after one week. Very disappointing.

Review 039: Affordable, durable, and easy to use. This is a great purchase.

Review 040: The order was incomplete and two accessories were missing.

Review 041: The quality is consistent and the product performs better than I expected.

Review 042: Customer support transferred me several times without solving the problem.

Review 043: The packaging was secure and the item arrived in perfect condition.

Review 044: The product makes a loud noise and is difficult to use.

Review 045: Excellent customer experience from ordering to delivery.

Review 046: The colour looks different in person and the material feels rough.

Review 047: Easy installation and reliable performance. I am very pleased.

Review 048: The return process was complicated and I never received my refund.

Review 049: Good quality, fair price, and fast delivery. No complaints.

Review 050: The product arrived late and the instruction booklet was missing.

Review 051: The battery lasts longer than expected and charging is quick.

Review 052: The buttons feel loose and sometimes do not respond.

Review 053: Very comfortable to use and the finish is impressive.

Review 054: The product did not work straight out of the box.

Review 055: The seller answered my questions politely and delivered on time.

Review 056: The item is much smaller than advertised and not worth the price.

Review 057: Excellent quality and a smooth user experience. I would purchase again.

Review 058: The service was careless and my complaint was closed without a solution.

Review 059: The product is sturdy and has handled daily use very well.

Review 060: After only a few uses, the material began to tear.

Review 061: Everything was delivered as promised. The product is simple and effective.

Review 062: The website showed the wrong availability and my order was cancelled.

Review 063: Great design, good performance, and very reasonable pricing.

Review 064: The charger included in the box is faulty and gets unusually hot.

Review 065: I am happy with the quality and the quick response from the support team.

Review 066: The item had stains on it and looked like it had been used before.

Review 067: Setup took only a few minutes and the results are excellent.

Review 068: The product is uncomfortable and the adjustment mechanism gets stuck.

Review 069: Reliable, attractive, and worth every rupee. Highly recommended.

Review 070: My replacement request was rejected even though the product was defective.

Review 071: The delivery person was polite and the package was handled carefully.

Review 072: The product is slow, unresponsive, and not suitable for regular use.

Review 073: Fantastic quality for the price. I am completely satisfied.

Review 074: The description promised extra features, but they are not included.

Review 075: Works well, looks good, and arrived on time. I have no issues.

Review 076: The product developed a crack after a few days of normal use.

Review 077: Helpful support team and a quick resolution. Thank you.

Review 078: The packaging was poor and the product was damaged in transit.

Review 079: The material is soft and comfortable, and the stitching is neat.

Review 080: The refund amount was incorrect and the support team has not fixed it.

Review 081: Very easy to use and the performance has been consistent.

Review 082: The product keeps disconnecting and the connection is unreliable.

Review 083: Excellent product with a premium feel. I am glad I bought it.

Review 084: The delivery was delayed twice and there was no clear update.

Review 085: The controls are responsive and the overall experience is great.

Review 086: The item arrived without a warranty card and the seller was unhelpful.

Review 087: Good build quality and simple maintenance. I recommend it.

Review 088: The product smells unpleasant and the finish is poor.

Review 089: Fast service, accurate order, and excellent quality.

Review 090: The instructions do not explain the basic functions properly.

Review 091: Comfortable design and dependable performance. Great value.

Review 092: The product failed within a few days and I could not get a replacement.

Review 093: I received regular updates and the delivery was faster than expected.

Review 094: The price changed after checkout and the billing was confusing.

Review 095: Looks elegant, works perfectly, and feels durable.

Review 096: The product is difficult to clean and collects dust quickly.

Review 097: Very satisfied with the purchase. The quality and service were both excellent.

Review 098: The seller sent an expired item and refused to take responsibility.

Review 099: The product is practical, well-made, and easy to recommend.

Review 100: Poor experience overall. The item was defective and the return took weeks.
